

# GOODYEAR GENERAL PLAN UPDATE

## VISION & VALUES

The General Plan is guided by a Community Vision for the desired future of Goodyear. Public input is critical to establishing this Vision Statement. View the existing General Plan Vision Statement and Community Values below to give feedback.

### Vision Statement (EXISTING GOODYEAR 2025 GENERAL PLAN)

**Create a highly desirable and sustainable place for all to live, work, visit, and play.**

-PLACE NOTE HERE-

Use a sticky note to share what you like and/or what you would like to change about the Vision Statement in the current Goodyear General Plan 2025:

### Community Values (EXISTING GOODYEAR 2025 GENERAL PLAN)

The existing Goodyear 2025 General Plan outlines the following community values to reinforce the Vision Statement:

- Foster a sustainable community with diverse destinations connected throughout the city
- Encourage growth by offering opportunities for cultural, educational, and economic development
- Recognize our assets, history, and open spaces
- Maximize partnerships and collaboration

Please give input below to keep, remove or revise these community values by placing a sticky dot and then using a sticky note to explain your choice:

Community Value	Keep	Remove	Revise	Comment
Foster a sustainable community with diverse destinations connected throughout the city				
Encourage growth by offering opportunities for cultural, educational, and economic development				
Recognize our assets, history, and open spaces				
Maximize partnerships and collaboration
